# INTRODUCTION

Welcome to the EHF EURO 2024 qualifiers, the beginning of the journey towards the 17th edition of the Men's EHF European Handball Championship, hosted by Denmark, Sweden and Norway from 15 January to 1 February 2026.

The qualifiers see the ambitions of 32 nations put to the test as they compete for the 20 remaining places at the final tournament. Eight groups of four teams will be played, competing over six rounds between November 2024 and May 2025, where the top two teams from each group and the four best third-place teams will book their ticket to Germany, joining the host nations and EHF EURO 2024 champions France.

The four teams with their spots at the final tournament already assured will compete in the EHF EURO Cup, ensuring they are exposed to high-quality competition during the six national team weeks reserved for the Qualifiers phase.

For you, the media, the EHF Media and Communications Department has prepared this media guide to provide a comprehensive overview of all 36 teams participating. It contains an extensive overview of all records of players and teams, as well as head-to-head statistics for the six Qualifiers rounds, tournament history and media contacts at each of the competing national federations.

It is clear for all to see that the overall level of competition in Europe is not only rising but there is a strength in depth, making the upcoming qualifiers particularly interesting.

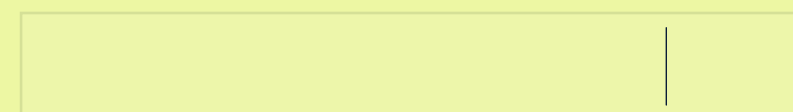

During this campaign, nations such as Italy, Romania and Israel will be targeting a return to the big time for the first time in over 20 years and the more established teams in their group will be looking over their shoulders.

Greece and Georgia both made their debuts at the final tournament in January, and they face each other for their chances of a repeat appearance in group 3, alongside Iceland and Bosnia and Herzegovina. Georgia sensationally clinched a debut 22:19 victory against Bosnia in their last preliminary round game in Mannheim and will surely take that confidence to the 2026 Qualifiers.

Fellow 2024 debutants the Faroe Islands, who captured the hearts of fans with their fighting spirit and 26:26 draw with Norway, have again been drawn in a qualifying group alongside Ukraine. To make it to the 2026 championships they face the Netherlands and Kosovo as well.

Throughout the Qualifiers phase, the EHF Media and Communications Department will continually update the media with results and news relating to the tournament. However, if you have any questions or queries, the department is only an email away, so please feel free to get in touch with the team in Vienna at [media@eurohandball.com](mailto:media@eurohandball.com).

# HIGHLIGHT MATCHES

The EHF is improving the fan experience for the upcoming Men's EHF EURO 2026 qualifiers with the Highlight Matches, following the successful Match of the Week concept in the EHF Champions League. There will be one qualifier and one EHF EURO Cup highlight match in each round.

The Highlight Matches will receive extensive coverage on the EHF EURO digital channels – including Facebook, Instagram and X – enhanced by the presence of a mobile reporter on-site to provide exclusive behind-the-scenes and on-court content.

Every Highlight Match will also have English commentary on EHFTV, to provide extra insight into the action.

# HOW TO FOLLOW

The road to the Men's EHF EURO 2026 in Denmark, Sweden and Norway opens 6 November as 32 teams are set to play rounds 1 and 2 of the qualifiers, while the EHF EURO Cup 2026 throws off, too. Here is how to stay informed during the action-packed days.

The start of the Men's EHF EURO 2026 Qualifiers and the EHF EURO Cup 2026 makes for an impressive schedule of 36 matches to be played across Europe from Wednesday through Sunday.

A total of 32 national teams throw off their qualifying campaign beginning of November, with further rounds to be played in March and May 2025. In the end, 20 of them will earn the coveted berth at the 2026 final tournament, joining the four teams that have already qualified directly: hosts Denmark, Sweden and Norway as well as EHF EURO 2024 champions France.

Those four teams will also be in action throughout this period, as they are contesting the EHF EURO Cup. A bumper week of action is coming up – and all of it can be enjoyed across the various EHF channels.

All matches will be streamed live on EHFTV with geo-restrictions that might apply in areas where matches are broadcast by domestic TV stations; detailed information can be found in the 'match info' links in the overview below.

The dedicated EHF EURO social media channels on X, Instagram, and Facebook will closely follow all the action with near-live video clips, the best photos, and lots of exclusive coverage.

There will be two Highlight Matches from the EHF EURO Qualifiers and two from the EHF EURO Cup. Those matches receive extensive coverage on the EHF EURO digital channels, with a mobile reporter on-site providing exclusive behind-the-scenes and on-court content and English commentary.

Each day, the live blog on eurohandball.com will guide you through what is happening, with real-time updates, the best social media posts, photo galleries, reviews, and opinions.

# OFFICIAL BALL DESIGN

The official match ball for the Men's EHF EURO 2026 is crafted from a newly developed, durable synthetic leather material with a recycled backing. The ball's surface, combined with a 4mm foam lining, ensures optimal grip and ball control. Inside, a Zero-Wing bladder guarantees perfect roundness.

The ball is light, lively, and maintains constant balance without random bounces. Hand-stitched to perfection, this ball is designed for top-tier performance. Combined with an eye-catching design, including the tournament slogan 'Pure Greatness', the ball will certainly help players to reach new heights in Denmark, Sweden and Norway. The ball will be used in every one of the 65 matches at the final tournament between 15 January to 1 February by the 24 participating teams who are looking to lift the coveted trophy.
