| Foreword

Dear handball friends,

Welcome to a new season in Europe's premier club competition and its initial stage – the qualification tournament.

We are excited to welcome on board a title sponsor for the first time in history of the top product of women's club handball. After the DELO Group had a successful premiere at the final tournament of last season, the whole competition will be renamed to the DELO WOMEN'S EHF Champions League in the upcoming two seasons.

Four months after Györi Audi ETO KC clinched their third straight title in Budapest by beating Rostov in a thrilling final, we are ready to witness how a new handball fairy tale starts to unravel.

As we enter the 27th season of the competition, four matches in the only qualification tournament will determine which team will earn the only remaining berth in the 2019/20 group matches. The tournament is taking place in the city of Most, a bastion of Czech women's handball and I am sure we can look forward to large crowds.

What makes this year's qualification also exciting is the fact that we have two former European Cup holders eyeing the entrance to the European top flight as they both hope to remain in the race for the DELO WOMEN'S EHF FINAL4 on 8/9 May 2020.

In the semi-finals the two-time Challenge Cup winners from 2016 and 2019 Rocasa Gran Canaria will take on the tournament's hosts DHK Banik Most, who dominated in the same competition in 2013. Also one of the teams in the second semi-final was reaching out to the Challenge Cup but the Turkish champions Kastamonu Belediyesi GSK were denied by Rocasa in the 2016 final. Kastamonu face the ambitious young team of ZORK Jagodina from Serbia in the other semi-final.

In the group matches the defending champions Györi Audi ETO KC, RK Krim Mercator and IK Sävehof await the winner of the qualification tournament from Most.

We pride ourselves on our positive and cooperative relationship with the press and media and I am sure this will continue and develop in the future. Should you require any information, help or assistance during the course of the season, your first point of contact is the EHF Media and Communications Department based in our office in Vienna. They will be more than happy to assist you with any questions you might have.

We look forward to working with you in the upcoming season!

SCORING OF MATCHES AND RANKING

GENERAL

All matches of the DELO WOMEN'S EHF Champions League shall be played in 2 x 30 minutes with a half-time break of 10 minutes.

The EHF reserves the right to extend the half-time break in special circumstances to 15 minutes.

QUALIFICATION TOURNAMENTS

If a semi-final match or the final (place 1/2) ends in a draw, there will be a five-minute break followed by one extra-time of 2x5 minutes, there will be a one-minute half-time break at the half-time for the changeover of teams. If the placement match (place 3/4) ends in a draw, there shall be no extra-time, the match will be decided directly by penalty throws. In the semifinals and/or final (place 1/2), if there is no winner after the extra-time, the match will be decided by penalty throws.

RULES FOR EXECUTION OF PENALTY THROWS

- Prior to penalty throwing, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then take one throw each, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the game. Goalkeepers may take throws and throwers may play as goalkeepers.
- The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.
- If scores are equal after the first round of penalty throwing, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision is reached when a goal difference arises after both teams have taken one throw each.
- Eligible players are players entered in the match report who have not been disqualified or suspended at the time of the final whistle.
- Serious infractions committed during penalty throwing shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be named supplementary.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing area.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.

Preview: Most to host battle for last spot in group matches

15 teams already booked their place in the DELO WOMEN'S EHF Champions League group matches this season, yet there is still one more spot left. Four teams will battle it out on 7-8 September in a winner-takes-all-competition in Czech Republic, as hosts DHK Banik Most will try to emulate what Thüringer HC and Podravka Vegeta did in the past two seasons and take advantage of their home court to progress to the next phase of the competition.

Two-time Challenge Cup winners Rocasa Gran Canaria will try and stop them in the first semi-final. Six years ago, Most were the Challenge Cup winners, but they failed to build upon their success in the following years. For this tournament, the Czech club installed two temporary stands in their hall to extend the capacity of the arena to 1,500 spectators.

While Most have the advantage of playing at home, Gran Canaria have the experience on their side, as they won the Challenge Cup twice in the past three seasons. Turkish side Kastamonu and Serbian champions ZORK Jagodina will contest the second semi-final. A young Jagodina side finished third in last season's qualification tournament. They lost the first game against SCM Craiova before defeating Muratpasa SK in the third place game. This time, another Turkish side will try and stop Jagodina, as Kastamonu are back in qualification after two years.

In 2017, they lost both their games, against Podravka Vegeta and HC Gomel, but they retained their core and their experience could be counted as an advantage before Saturday's game. The winner of the qualification tournament will progress to the DELO WOMEN'S EHF Champions League group matches, where they are to play in Group D alongside title holders Györ, Krim and IK Sävehof.
